

Chicken Song

We had some chickens, no eggs would they lay (repeat).
My wife said, "Honey, we're losin' money."
Because our chickens, no eggs would they lay.
One day a rooster came into our yard,
And caught those chickens, right off their guard.
They're laying eggs now just like they used to,
Ever since that rooster came into our yard.
They're laying eggs now just like they used to,
Ever since that rooster came into our yard.

We had a milk cow, no milk would she give (repeat),
My wife said, "Honey, we're losing money."
Because our milk cow, no milk would she give.
One day a rooster came into our yard,
And caught that milk cow, right off her guard!
She's givin' eggnog in waxed containers,
Ever since that rooster came into our yard.
She's givin' eggnog in wax containers,
Ever since that rooster came into our yard.

We had a pig sow, no piglets would she give...
She's givin' chicklets in every flavor...

We had duck, no ducklings would she give...
She's givin' quackers in Christie boxes...

We had a doggy, no puppies would she give...
She's givin' poached eggs in boilin' water...
