

Great Big Beautiful Day

It's a great big beautiful day!
It's a great big beautiful day!
Everybody's smiling,
The clouds have gone away.
It's a great big beautiful day (beautiful day).

There's a big warm wonderful sun! (repeat)
I know that God is up there,
Watching everyone.
There's a big warm wonderful! (wonderful Life)

The meadow's full of flowers
That are growing wild and free.
And the birds are singing everywhere
Share a song with me!

I've got a big beautiful dream! (repeat)
That we'll work together on the very
Same team.
I've got a big beautiful (beautiful) dream!
