

## **Hip! Hip! Hurray!**

### *Chorus:*

Hip Hip Hurray, Hurray Hurray  
Half the fun is living life  
Fully every day.  
Hip Hip Hurray, Hurray Hurray  
God socks it to us with  
Joy in every way.

Look around you brother. What do you see?  
What's that you say? A lifeless humanity.

I'll tell you what it needs. Don't raise your brow.  
A shot of God, yes, right here and now.

Look around you brother. What do you see?  
What's that you say? A joyful humanity.

You're learning fast... It'll last  
That joy you have will never leave.
