

## **Johnny Verbec**

There was a little Dutchman,  
His name was Johnny Verbec,  
He used to deal in sausages and speck  
That you have ever seen  
And one day he invented  
The sausage making machine.

### ***Chorus:***

O'mister Johnny Verbec  
How could you be so mean  
I told you you'd be sorry  
For inventing that machine.  
Now all the cats and dogs,  
They'll be ground to sausage meat  
In Johnny Verbec's machine.

One day a boy came walking,  
Cam walking in the store,  
He bought a pound of sausages  
And laid them on the floor.  
The boy began to whistle,  
He whistled up a tune,  
And all the little sausages  
Went walking around the room.

One day the machine got busted,  
The darn thing wouldn't go.  
So Johnny Verbec he crawled inside  
To see what made it go.  
His wife she had a nightmare  
And walking in her sleep,  
She gave the crank a heck of a yank,  
And Johnny Verbec was meat.
